Why Students Prefer TrueMark Edu

We are one of the most trusted study abroad consultancies in India because we follow a zero-hidden-fee, student-first approach. From the first counseling call to airport pickup at your destination country – we stand with our students at every step. Our extensive ties with globally ranked government medical schools ensures that you get high-quality clinical training and are perfectly prepared for national licensing screening exams like NEET or USMLE.

Frequently Asked Questions

Q: Is MBBS abroad a good option for Indian students?

A: Yes, MBBS abroad is highly recommended for students who could not get a government medical seat in India. Universities are NMC/WHO approved and degrees are globally recognized.

Q: What is the total cost of MBBS abroad?

A: Total cost ranges from ₹ 18 Lacs (Uzbekistan to ₹ 50 Lacs (Czech Republic). Popular options like Georgia cost ₹ 25-35 Lacs total including hostel and food.

Q: Is NEET required for MBBS abroad?

A: Yes, NEET qualification is mandatory for Indian students to be eligible for the NMC screening test (NEET-FMGE) after completing MBBS abroad.

Q: Is there any donation or capitation fee?

A: No. In countries like Georgia, Uzbekistan, Russia, Kazakhstan and most European universities, there is NO donation. You pay only tuition and hostel fees.

Q: How long does the admission process take?

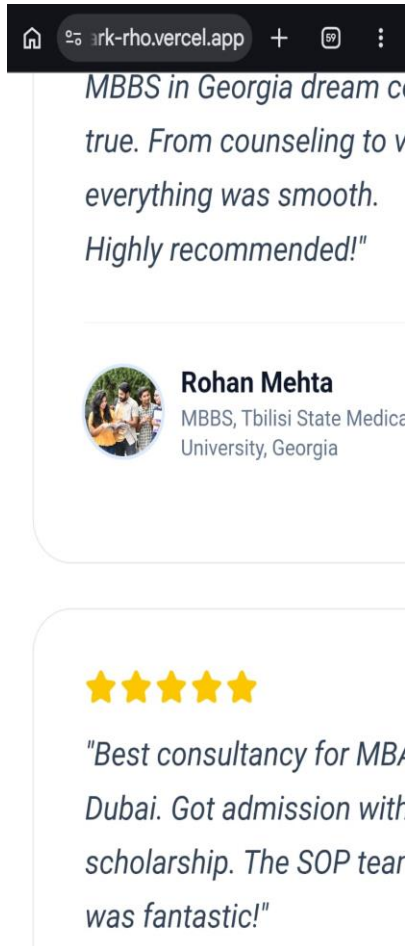

A: Typically 30-60 days from application to visa. We handle the complete process including university application, documentation and visa.

Q: Do you provide FMGE/NEXT coaching?

A: Yes, we provide dedicated FMGE/NEXT online coaching to our students as they complete their MBBS abroad.
